

My Pledge for Peace

I believe I am a powerful peace builder through my actions, my thoughts, and my words.

I believe in treating others with the same respect that I deserve.

I believe that we must build understanding, respect, and peace in the world around us everyday.

I reject bullying and discrimination, and stand in support of anyone being bullied.

I reject violence and will work to build peaceful solutions in my home, school, and community.

I believe in peace!
